On the effective date of this Agreement, and no more than annually thereafter, two hours of vacation time for each bargaining unit Employee shall be deducted by the City and placed in a donated time bank. This bank of hours may be used for official Union business and educational seminars by Union designated personnel. If the number of bargaining unit Employees increases

or decreases, the yearly amount shall be adjusted on the same two hours per Employee basis thereafter for purposes of maximum use or replenishment of the time bank when exhausted.

Scheduling and use of the above shall be with three days notice to the Chief who may decline such use if operational needs require.

**ARTICLE 11  
HOURS OF WORK AND OVERTIME**

**1. HOURS OF WORK:**

(a) So long as the overtime provisions of the Fair Labor Standards Act (FLSA), as amended, are applicable to state and local government fire department Employees, the Employer shall pay overtime in accordance with existing rules and regulations applicable to the FLSA. At the time of this Agreement, the twenty-eight (28) day standard applicable to local government fire departments is two hundred twelve (212) hours. The Employer reserves the right to adjust its pay periods and overtime between seven days [fifty-three (53) hours] and twenty-eight (28) days [two hundred twelve (212) hours] or the maximum allowable by the United States Department of Labor.

(b) For purposes of this agreement, for the contract year beginning 10/1/2022, a standard workday or tour-of-duty for a fifty (50) hour Employee shall be defined as a twenty-four (24) continuous hour period beginning with the starting time of the Employee. A work period of twenty-eight (28) days is herewith adopted pursuant to section 207(k) of the Fair Labor Standards Act.

The normal work schedule for a fifty ( 50) hour Employee shall be twenty-four (24) hours continuous standard workday or tour-of-duty followed by forty-eight (48) hours of continuous off time.

(c) The standard workday for a forty (40) hour Employee will consist of eight or ten continuous hours, determined by the Fire Chief, which includes one-half (1/2) hour for lunch.

(d) Employees are subject to make emergency responses during meal periods.

(e) Scheduled shifts and hours of work shall remain flexible depending upon the needs of the Employer. The Employer will post changes in advance, and will make every effort

to notify Employees of the changes in the posted schedule. The schedule shall be fixed, and will not be changed without the agreement of the scheduled Employee twenty-eight (28) days prior to the change.

(f) When there is a change from eastern standard time to eastern daylight time, or vice-versa, the starting and stopping times of the shifts shall not change, and the resultant change in hours worked by the regular duty shift shall not result in a reduction of paid hours nor the addition of overtime hours.

(g) Up to three bargaining unit Employees assigned to 24-hour shifts shall be permitted to take pre-scheduled time off work at a time. There shall be at least two Lieutenants and/or Acting Lieutenants on each shift, in any combination. There shall be at least one Battalion Chief and/or Acting Battalion Chief on each shift. Management has the sole discretion to fill any acting role with an Employee that is a level and/or rank above the position needing filled. Employees assigned to a 40-hour work week shall not be included in the number of bargaining unit Employees assigned to 24-hour shifts that may take pre-scheduled time off of work.

## **2. OVERTIME:**

(a) Management will maintain three rotating overtime lists, one for Firefighters one for Lieutenants and one for Battalion Chiefs. Such list shall be based upon the length of full-time employment with the Monroe Fire Department, by classification, from which such individuals will be selected to work scheduled overtime on a rotating basis. Overtime hours and/or overtime assignments needed to fill vacant Battalion Chief, Lieutenant and acting supervisor positions shall be filled by the highest Battalion Chief, Lieutenant or Firefighter eligible to serve as acting supervisor pursuant to Article 33 "Promotions" on the overtime list.

This list will renew based upon seniority at 0001 hours on January 1 of each year. The role of Acting Battalion Chief can only be filled by an Employee who holds the rank of Lieutenant. An Employee who fills in as an Acting Lieutenant is not eligible to fill in as an Acting Battalion Chief.

When Firefighters are hired after the first of each year and become eligible for overtime, they will initially be given the highest number of hours currently held by a Firefighter and will start at the end of the overtime list. Likewise, a newly promoted Lieutenant or Battalion Chief will initially be given the highest number of hours currently held by a Lieutenant or Battalion Chief and will start at the end of the overtime list.

(b) Bargaining unit members who are assigned to a 40-hour shift shall opt in or out of the overtime list by January 1<sup>st</sup> of each year and this shall remain in effect for the remainder of that year. This shall exempt any 40-hour Employee who chooses to opt out of the list from being mandated or frozen for shift overtime. A 40-hour Employee still may have the opportunity for overtime as the need arises that is outside of shift work.

Any bargaining unit member that begins or currently works a 40-hour work assignment in the middle of the calendar year must submit by email within thirty days of their appointment of their intent to opt in or out of the overtime list.

Each 40-hour Employee must submit an email of their decision to opt in or out of the overtime list to the Fire Chief or his designee

(c) An Employee who is assigned to a platoon will receive overtime compensation for all hours worked in excess of the Employee's regularly scheduled workday. The overtime rate shall be one and one-half times (1½) the Employee's normal hourly rate of pay.

(d) With respect to the Employees assigned to an eight or ten hour workday, hours worked in excess of forty (40) hours per week shall be paid at a rate of one and one-half (1½) times their normal hourly rate of pay.

(e) Any Employee recalled to duty after time disconnected from their normal and prescheduled hours of work shall be compensated at one and one-half (1½) times the Employee's normal hourly rate.

### **3. EARNED DAYS OFF:**

(a) Effective January 1, 2023, each Employee will receive thirteen ( 13) earned days off (EDOs) to adjust their weekly average. If an Employee is not in paid status all of his scheduled shifts, his earned days off will be reduced accordingly. The workweek shall be an average of fifty ( 50) hours for shift employees. For the period of October 1, 2022 – December 31, 2022, to accommodate the change to a fifty (50) hour workweek, Employees will have an additional twelve (12) hours of EDO time to use.

(b) All EDO's will be chosen by the Employee by December 15<sup>th</sup> of the previous year, subject to the approval of the Fire Chief, in the order of seniority according to the following schedule. An Employee must use a minimum of four (4) EDOs per period. A period is defined as the following:

January-April

May-August

September-December

Greatest seniority first, throughout the EDO selection process. Each Employee shall select one EDO per round. At no time shall the scheduling of EDO's and/or vacations cause the staffing level to drop below the minimum established by the Fire Chief. EDO's selected at the beginning of the year may be reduced proportionately if an Employee does not work all of his scheduled shifts.

(c) Trading of EDO's shall be permitted by Employees on the same shift. Written notification of EDO trade requests will be provided to the Fire Chief as required for time trading shifts. Seven days notice is required for trading EDO's.

(d) EDO's shall only be taken in twenty-four (24) hour increments, unless an Employee's EDO balance is less than twenty-four (24) hours. However, Employees assigned to a forty (40) hour shift may take previously earned EDO hours in eight (8) or ten (10) hour increments.

(e) An Employee transferred from one shift to another shall meet with the Fire Chief once the transfer has been announced to select his or her EDO's, subject to the approval of the Fire Chief. EDO selection shall be based on available open days only.

(f) Employees who are sick on their EDO cannot take sick leave for that day in order to bank or save EDO hours.

(g) Employees are not permitted to work on a scheduled EDO and collect pay for the hours worked.

(h) There will be no reimbursement for EDO's not taken, nor may EDO's be carried over to the following year. EDO time not taken is lost as of December 31<sup>st</sup> of each year.

**4. NO PYRAMIDING:**

(a) There shall be no duplication or pyramiding in the computation of overtime or other premium wages. Nothing in this Agreement shall be construed to require the payment of overtime and other premium pay more than once for the same hours worked.

**5. MISCELLANEOUS:**

(a) An Employee assigned on twenty-four (24) hour shifts is to be paid on an annual salary basis with an equal amount of base pay each pay period based on the annual salary. The hourly rate will be determined by dividing the Employee's annual salary by two thousand six hundred ( 2600). The parties recognize that hours of work under the normal tours-of-duty shall fluctuate from week to week, and the fixed amount of salary paid each two weeks represents straight pay for whatever hours the Employee is called upon to work in a two-week period. The fixed salary is compensation for the normally scheduled hours worked each two weeks, whatever their number. Since straight time is already compensated in the salary, the half-time (1/2) method of calculating overtime compensation, for each twenty-eight (28) day work period, in accordance with 29 CFR 778.114, shall be used and paid to each Employee through the compensatory time off policy described above.

(b) The hourly rate for a forty (40) hour Employee will be determined by dividing the Employee's annual salary by two thousand eighty (2080).

(c) The Employer shall have the right to adopt a tour system or work schedule, which provides improved service to the community provided that the Union is given prior notice and an opportunity to meet and confer regarding the proposed changes.

(d) Assignment, approval, documentation, compensation and other matters regarding overtime, or hours worked beyond the regular work week, except as specifically provided in this

Agreement, will be subject to rules and regulations, general orders, procedures and regulations as determined by the Employer, concerning the contents of said overtime rules, regulations, general orders, procedures and regulations, except as such changes may be required by federal wage and hour law, rules and regulations.

(e) Call-Out Pay: Notwithstanding the provisions of any other paragraph in this Article, an Employee who works call-out time shall be paid for actual hours worked at the applicable rate from the time of reporting, but in no event shall receive no less than three hours pay at the applicable rate of pay as set forth in this Article.

## **ARTICLE 12 TRANSFERS**

1. The Union recognizes that from time to time there may be a need of the Department that may require a transfer of a minimum amount of personnel from shift to shift for operational purposes. In the event that a situation may occur where a transfer is needed the Fire Chief must present such case to the Union President and the City Manager.

2. In a situation where the Fire Chief and the Union President disagree that the transfer is needed, the City Manager makes the final decision.

3. Once the final decision has been made to make a transfer, the personnel involved shall be given a twenty-eight (28) day notice prior to the first effective date of the change of schedule. If an Employee is not notified of the particular effective date of the transfer within fourteen (14) calendar days of the notification of transfer, a new twenty-eight (28) day notice is required before the Employee may be transferred.

4. Issues arising from this Article are not subject to the Grievance or Arbitration Articles of this Agreement.

### **ARTICLE 13 PROBATIONARY PERIOD**

Each newly hired Employee shall be required to successfully complete a one year probationary period. The probationary period for new Employees shall begin on the first day for which the Employee receives compensation from the Employer. The length of the probationary period shall be one year.

A newly hired probationary Employee may be terminated, with or without cause, at any time during his probationary period, and shall have no appeal rights through the grievance-arbitration procedure. Benefits for newly hired Employees shall become effective upon the earliest possible date between the thirtieth (30<sup>th</sup>) and sixtieth (60<sup>th</sup>) day of employment, unless otherwise specified in this Agreement.

Upon successful completion of the probationary period, a newly hired Employee's seniority shall be computed from the first day of the Employee's probationary period.

Any current bargaining unit member who is promoted to the position of Lieutenant, EMS Coordinator, or Battalion Chief will be required to successfully complete a one year probationary period. The probationary period shall begin on the first day the Employee serves in the higher rank. Newly promoted Employees shall have the full effect of all benefits and provisions provided for within this agreement during the promotional probationary period.

An Employee serving a promotional probationary period may be demoted at will at any time during the probationary period back to the position from which the Employee was promoted.

## **ARTICLE 14 OUTSIDE EMPLOYMENT**

At the sole discretion of the Fire Chief, Employees may hold outside employment so long as they meet the performance standards of their job with the Employer. The outside job shall not conflict with the Employees duties as a member of the Fire Department. Employees shall consider the impact that outside employment may have on their health and physical endurance. All Employees will be judged by the same performance standards and will be subject to the Employer's scheduling demands, regardless of any existing outside work requirements.

If the Fire Chief determines that an Employee's outside work interferes with his performance or the ability to meet employment requirements of the Fire Department, the Employee may be required to terminate the outside employment if he desires to retain Fire Department employment.

All Employees must notify the City of any outside employment. An Employee is required to notify the City of any change in outside employment within ten (10) days of that change.

Outside employment that constitutes a conflict of interest is prohibited.

The Injury Leave Article of this Agreement shall not apply to Employees who are injured during outside employment.

This Article is not intended to prohibit paid employment with the IAFF.

## **ARTICLE 15 SENIORITY**

1. Definition. Seniority shall be defined as the length of continuous service measured in years, months and days that an Employee has accumulated as a full-time Employee in the service of the Fire Department, including time and service with the predecessor Employer, the Monroe Fire Association.

2. Accrual.

(a) An Employee's seniority shall commence after the completion of the probationary period and shall be retroactive to the first day the Employee reported for work.

(b) Seniority shall accrue during a continuous authorized leave of absence without pay up to six months or for the period of an approved maternity leave, provided that the Employee returns to work immediately following the expiration of such leave of absence or maternity leave; and during a period of continuous layoff not to exceed twenty-four (24) months, if the Employee is recalled into employment; and during a sick leave of up to twelve (12) months.

3. Loss of Seniority. An Employee's seniority shall be lost and employment terminated when he or she:

- (a) terminates voluntarily;
- (b) is discharged for cause;
- (c) exceeds an official leave of absence;

- (d) is laid off for a period of more than twenty-four (24) months (during such periods of layoff the Employer will not hire new Employees);
- (e) fails to notify the Employer of his intent to return to work on a recall from layoff, within fourteen (14) days after the Employer has sent written notice to him to return by letter with a copy to the Union to the last address furnished to the Employer by the Employee. It shall be the responsibility of the Employee to advise the Employer of his current address.

4. Application. Seniority shall apply in layoffs and recalls and for scheduling of vacations as provided in the general orders, rules, regulations and procedures of the Employer.

5. Layoff. In the event of a layoff, probationary Employees will be laid off first without regard to their individual periods of employment. Non-probationary Employees shall be laid off next in order of their seniority.

6. Recall. Whenever a vacancy occurs in a position for which a laid off Employee is qualified (i.e. must maintain certifications held at time of layoff), such Employees shall be recalled in accordance with their seniority in the reverse order in which they were laid off.

7. Tie Breaker. In the event Employees are hired on the same date, the Employee with the greatest seniority shall be the Employee with the highest overall written test score. In the event of an identical written score, the Employee with the greatest seniority will be the Employee with the lowest social security number.

**ARTICLE 16  
GRIEVANCE PROCEDURE**

1. A grievance shall be described as a dispute or complaint arising between the parties hereto under or out of this Agreement or the interpretation, application, performance, termination, or any breach thereof, and shall be processed and disposed of in the following manner:

(a) Step 1:

Within a reasonable time, not to exceed twenty-one (21) calendar days following the date of occurrence or the date when the Union or Employee should be deemed to have constructive knowledge of the occurrence, an Employee having a grievance and/or his Union representatives shall put the grievance in writing and take it to the Assistant Chief, Captain or Chief, and forward a digital copy of the grievance to the City Manager. The Employer shall give its answer to the Employee and/or his Union representative within fourteen (14) calendar days after the presentation of the grievance in Step 1. Within this thirty-five (35) calendar day period, the Employee is encouraged to seek to resolve his grievance on an informal basis.

(b) Step 2:

If the grievance is not settled in Step 1, the grievance may be presented in writing to the City Manager at Step 2, with a full explanation of why the Union disagrees with the City's response in the prior step, within fourteen (14) calendar days after the answer in Step 1, or if the Employer provides

no answer at Step 1, within twenty-eight (28) calendar days after the grievance was presented to the Employer at Step 1. At this time a Representative of the Union may be in attendance at a meeting where, if both parties agree, witnesses and/or evidence may be presented that relate to a resolution of the grievance. A grievance so presented in Step 2 shall be answered by the Employer within fourteen (14) calendar days after its presentation.

(c) Step 3:

A grievance which has not been resolved in Steps 1 or 2 may be referred to arbitration as set forth in the “Arbitration” Article of this Agreement.

2. Any disposition of a grievance from which no appeal is taken by the aggrieved Employee or the Union within the time limits specified herein shall be deemed resolved and shall not thereafter be considered subject to the grievance and arbitration provisions of this Agreement.

3. Any grievance or appeal of a grievance that is not ruled upon within the time limits herein shall be deemed denied and shall automatically proceed to the next step in this grievance procedure.

4. Grievances and the response to said grievance shall be filed between the hours of 8:00 A.M. and 5:00 P.M. For the purpose of this Article, the calendar days shall begin the following business day after the presentation of said grievances or responses thereto.

**ARTICLE 17  
ARBITRATION**

1. Procedure for requesting.
  - (a) A grievance as defined in the “Grievance” Article of this Agreement, which has not been resolved thereunder and which a party wishes to take to Arbitration shall, within fourteen (14) calendar days after the completion of Step 2 of the Grievance Procedure, be referred for arbitration by either party to this Agreement by directing a written demand therefore to the Arbitration and Mediation Service (“AMS”) and by sending a copy of the notice to the other party.
  - (b) The arbitrator shall be a mutually agreed upon neutral third party selected from a list of nine potential arbitrators furnished by AMS who maintain an office within one hundred twenty-five (125) miles of the City of Monroe, Ohio. The arbitration shall be conducted in accordance with AMS rules.
2. Fees. The fees and expenses of the arbitrator shall be borne equally by the parties.
3. Binding effect. The award of the arbitrator hereunder shall be binding to the Employer, the Employee and the Union.
4. Powers of the Arbitrator.
  - (a) The arbitrator shall not have the power to add to, subtract from, or modify any of the terms of this Agreement. Furthermore, in explanation of the Employer’s right to promulgate rules and regulations, general orders and standard operation procedures set forth herein in the Management Rights

clause, the Union or grievant shall not have recourse through the grievance and arbitration procedure to challenge the reasonableness or appropriateness of the Employer's existing or future rules and regulations, general orders or standard operating procedures, provided that the Employer has given the Union or Employees the required notice and permits the Union, upon request, to meet and confer with respect to the proposed rule.

- (b) This provision does not prevent an Employee disciplined by any such existing or future rule to grieve the application of that rule to his/her particular circumstances.

## **ARTICLE 18 DISCIPLINE**

Discipline, including verbal or written reprimand, suspension, demotion or discharge, shall be for just cause. Verbal counselings are not considered a disciplinary action and as such, they are not subject to the grievance process.

With the exception of a verbal or written reprimand, no member shall be disciplined without a pre-disciplinary hearing by the City Manager or his designee, unless he/she specifically waives the hearing.

### Investigative Conference

An investigative conference is a meeting between an employee and a member of management at a prescribed time and place after occurrence of the alleged violation. At the conference, the Employee or his representative may present any testimony, statements or documents in defense, explanation or mitigation of the alleged offense. The investigatory conference will be conducted at a reasonable time, preferably (but not necessarily) during the hours of 8:00 A.M. and 5:00 P.M. on Monday through Friday. If during the investigatory conference there is cause to believe that the Employee may be charged with a criminal violation, said Employee will be so notified.

### Pre-Disciplinary Hearing:

A pre-disciplinary hearing shall be conducted after the formal charges are prepared. When an Employee is charged he/she shall be given at least twenty-four (24) hours prior to any hearing, a written notice of the potential charges. The pre-disciplinary hearing officer shall prepare a report detailing his findings including a recommendation on the appropriate penalty, if any.

If the City intends to proceed with discipline following a pre-disciplinary hearing, a formal statement of the discipline shall be prepared and served upon the Employee and the Union at least forty-eight (48) hours prior to the effective date. The Employee shall have the right to representation at the pre-disciplinary hearing.

An Employee may be suspended with pay pending the final outcome of a pre-disciplinary hearing, or an investigative conference if it is determined by the City Manager that it is in the best interest of the City to do so. Except in the case of suspension for one week or less, the Employee may request postponement of the hearing for up to one week during which time he may be suspended without pay at the discretion of the Fire Chief and City Manager.

The Fire Department will use reasonable efforts to notify the affected Employee of any decision rendered as a result of a disciplinary hearing prior to any public statements.

The nature of the violation and the Employee's record, including prior discipline, shall be taken into account before any disciplinary action is taken.

Any full-time Employee disciplined by the Fire Chief or his designee (other than a verbal reprimand) may appeal the disciplinary action in accordance with the grievance procedures as set forth in the "Grievance" Article of this Agreement. However, such discipline may be appealed directly to Step 2 – City Manager. Written reprimands may not be appealed to arbitration. A

newly hired probationary Employee may be terminated without a hearing, with or without cause, and without recourse of right of appeal except as otherwise provided by law.

2. Scheduling of Vacation. All vacation must be scheduled through, and authorized by the Fire Chief or his designee. All requests submitted by January 1st will be approved based on seniority. Any vacation requests turned in after January 1st will be considered on a first come, first served basis. An Employee will not be required to take all his vacation leave at one time. If a bargaining unit member is required to change shifts by order of the Fire Chief, the

Employee will maintain the right to transfer any previously scheduled vacation time within one year from the date of transfer.

3. Vacation Accrual Limits. Employees with less than twenty (20) years of continuous service shall be permitted to allow vacation leave to accrue to their credit in an amount equal to the accrual for one year in addition to their current accrual rate. Employees shall forfeit their right to take or to be paid for any vacation leave to their credit that is in excess of the accrual for one year. Such excess leave shall be eliminated from the Employee's balance.

Employees with twenty (20) or more years of continuous service shall be permitted to allow vacation leave to accrue to their credit in an amount equal to the accrual for two years in addition to their current accrual rate. Employees shall forfeit their right to take or be paid for any vacation leave to their credit which is in excess of the accrual for two years. Such excess shall be eliminated from the Employee's balance.

4. Minimum Vacation Period. Eligible Employees may take their vacations in minimum increments of not less than .two (2) hours for those working a forty (40) hour schedule and twelve (12) hours for those working a 24/48 hour schedule. The Fire Chief or his designee shall approve an Employee's vacation request.

5. Pay for Accumulated Vacation. An Employee in full-time status who is to be separated from the City service through resignation, retirement or layoff and who has unused vacation leave to his credit, shall be entitled to compensation at this current rate of pay for all lawfully accrued and unused vacation leave to his credit at the time of separation, consistent with the limitations of this Article.

An Employee in full-time status who is to be separated from service through removal for cause, and who has unused vacation leave to his credit, shall not be entitled to compensation for accrued and unused vacation leave to his credit at the time of separation.

6. Employees shall have the option to submit for vacation buy-back up to eighty (80) hours for those working forty (40) our schedules and nine-six (96) hours for those working 24/48 schedules of their accumulated vacation time once per year. Buy-back will be paid at the Employee's straight time rate and will be payable within thirty (30) days from approval of the request. This benefit may be suspended by the City Manager, in his sole discretion, should City cash flow needs dictate.

7. Once per year, an Employee as a result of a two hour Union leave donation in Article 10, may exercise the option of taking a full shift of vacation [twenty-four (24) hour] and be paid for only twenty-two (22) hours. This option may also be exercised on an incremental basis [i.e., ten (10) for twelve (12), etc.].

**ARTICLE 25**  
**SICK LEAVE**

1. Sick Leave Accrual. All Employees shall accrue sick leave at the rate of twelve (12) hours for each month worked, and any sick leave accrued, but not used or converted as hereinafter provided, in any year shall be accrued in succeeding years without limit.

2. Use of Sick Leave. An Employee eligible for sick leave shall be granted such leave with full normal pay for the following reasons:

- (a) Personal illness or physical incapacity;
- (b) Illness of a member of the Employee's immediate family requiring the Employees personal care and attendance; sick leave may also be used for up to 5 calendar days' absence at the time of birth of an offspring and subsequent convalescence of the Employee's spouse;
- (c) Enforced quarantine of the Employee in accordance with the community health regulations.

3. Sick Leave Verification. Before starting on his shift, an Employee on sick leave shall inform his immediate supervisor of the fact, except in the case of provable inability to make a telephone call. Except in cases of suspected abuse, an Employee will not be routinely required to furnish, upon returning to duty, a physician's certificate evidencing that the absence was for one of the reasons set forth in Section 2 above, for absences of forty-eight (48) consecutive duty hours or less, although he may be required to furnish such a certificate following an absence in excess of forty-eight (48) consecutive duty hours. Employees shall be required in all cases to furnish a written, signed statement to justify the use of sick leave.

Sick leave in excess of forty-eight (48) hours used for injury or other physical disability will require a physician's statement releasing the Employee to return to work, and perform all of

his assigned duties. The purpose of this statement is to determine that the injured Employee is physically capable of performing effectively, all of his assigned duties.

Sick leave taken on the Employees scheduled shift immediately before or immediately after a holiday will require a physician's statement before any sick leave will be paid.

4. Abuse of Sick Leave. In the event that an Employee is suspected of abusing sick leave, the City may require the Employee to justify his use of sick leave by obtaining a physician's certificate. In addition or in the alternative, the City may require the Employee to provide within a reasonable time after returning to duty, a physician's certificate from the Employee's own doctor at his own expense or other verification of illness or injury acceptable to the Fire Chief, for any or all future absences for which sick leave is claimed within a period of six consecutive months.

Grounds for suspicion of abuse shall include, but not be limited to, information received by the City that the Employee is, or was, during any day from which sick leave is claimed:

- (a) Engaging in other employment;
- (b) Engaging in physical exercise or recreation;
- (c) Present in a tavern or other place inconsistent with a claim of illness or injury;
- (d) Absent from home or place of confinement or convalescence when called or visited by representatives of the City, except in cases where the Employee can produce verification (such as a hospital or medical clinic admissions or treatment slip or a receipt for the purchase of medicines from a pharmacy or reasonable explanation) that his absence was for reasons directly related to the treatment of his illness or injury.

- (e) Extending paid time off and/or bridging paid time off by using sick time.

Actual abuse of sick leave or falsification of either a written, signed statement by the Employee or physician's certificate shall subject an Employee to disciplinary action, up to and including discharge.

Any Employee who is suspected of abusing sick leave will be confronted with such suspicions by his supervisor and given an opportunity to explain his use of sick leave prior to being required to produce a physician's certificate for future absences as set forth above.

5. Minimum Charge to Sick Leave. Absence for a fraction of a day that is chargeable to sick leave in accordance with these provisions shall be charged in increments of not less than one-fourth (1/4) hour. Employees who, after reporting to work, are then sent home on sick leave shall be charged for actual time absent.

6. Sick Leave Credit on Return to Service. An Employee who is laid off or on unpaid disability leave will, upon reinstatement to service, be credited for any unused sick leave existing at the time of his layoff or leave.

7. Sick Leave Credit Upon Transfer. Upon transfer from one division or department to another, unused sick leave shall be available for the transferred Employee's use.

8. Payment of Sick Leave to Member Killed in Line of Duty. If an Employee is killed in the "line of duty," the City shall pay the Employee's surviving spouse, or, if there is no surviving spouse, the Employee's estate, all of the Employee's accrued, unused sick leave as of the Employee's date of death. Payment shall be made at the Employee's straight time hourly rate of pay as of the Employee's date of death. For the purpose of this Section, "line of duty" means that the Employee was performing official department business at the time of his/her

death, or the Employee's death proximately resulted from the Employee's performance of his lawful duties as a Firefighter.

9. Workers' Compensation. No Employee may receive payment from the City for sickness if he is receiving workers' compensation for the same purpose. Therefore, once a workers' compensation claim has been approved the workers' compensation checks will be signed by the Employee and turned over to the City. The City shall continue to pay the Employee his regular paycheck during this period of time.

10. Pay for Accumulated Sick Leave. All Employees, at the time of their retirement or resignation in good standing, with ten (10) or more years of service, shall receive payment based on the Employee's rate of pay at retirement or resignation for accrued but unused sick leave up to the following maximum accruals:

- (a) One-fourth (1/4) of the Employee's accrued but unused sick leave, up to a maximum accrual of seven hundred twenty (720) hours.
- (b) One-third (1/3) of the accrued but unused sick leave in excess of seven hundred twenty (720) hours.
- (c) In no event shall sick leave be permitted to accrue for purposes of conversion in an amount greater than nine hundred sixty (960) hours.
- (d) If an Employee is separated from employment through a removal for cause and has unused sick leave to his credit, he shall not be entitled to compensation for accrued and unused sick leave to his credit at the time of separation.

11. Maternity Leave. Maternity Leave shall only be authorized for periods when the Employee is unable to perform her regularly assigned duties due to pregnancy disability, or

medical complications arising out of pregnancy. Unless the Employee notifies the Fire Chief otherwise, she shall return to work on the sixty-first (61<sup>st</sup>) day following delivery.

Accrued sick leave for the entire period of disability that a doctor certifies is necessary (including prenatal care or the mother's inability to work prior to the birth) may be taken at the Employee's discretion. If the expectant Employee exhausts her sick leave and all other accrued paid leave, including vacation, prior to completion of her maternity leave, she will be permitted to borrow time from her projected accrued time for the next twelve (12) months. Such borrowed time will be repaid at fifty percent (50%) of the rate that it is accrued. For example, of the twelve (12) hours accrued per month, six hours will be repaid and six hours will be banked for current use until the borrowed amount is fully repaid.

12. If, during any calendar year from January 1 through December 31, the total sick leave hours used by bargaining unit Employees is not more than twenty-four (24) hours, such bargaining unit members on the payroll as of the final paydate in December shall receive an attendance bonus of \$500.00, less lawful deductions, on that following paydate. The exceptions noted below in paragraph 13 are not applicable to sick leave usage for purposes of paragraph 12.

13. Sick Leave Occurrences. An Employee who has four (4) or more sick leave occurrences in a twelve (12) month period shall be compensated for sick leave for the first day of usage for the fifth (5<sup>th</sup>) occurrence and subsequent occurrences at eighty (80%) percent of the Employee's regular rate of pay. (Example: An Employee misses two (2) days and this is the fifth (5<sup>th</sup>) occurrence in less than a twelve (12) month period. The Employee will receive sick leave compensation for each day missed at eight (80%) percent of his/her regular rate of pay for each day of the fifth (5<sup>th</sup>) and subsequent occurrences not to exceed six (6) such days in a twelve (12) month period.) Exceptions to the occurrence rule would be an Employee off under a

qualified Family Medical Leave Act usage or being off due to a work related injury as qualified in the Injury Leave Article.

Sick Leave Occurrences are defined as separate occurrences where an Employee reports off work for illness or non-work related injury. (Example: An Employee reports off work for two (2) days, that is one (1) occurrence, then returns to work and sometime later reports off work again, that is a second (2<sup>nd</sup>) occurrence and so on.)

14. The occurrence program set for in paragraph 13 shall not apply to Employees who reach and maintain in excess of six hundred fifty (650) accumulated sick leave hours.

**ARTICLE 26**

  - (c) Each Employee shall receive twelve (12) hours of Bereavement Leave for any legal relative or member of the Employee’s household other than those listed above.
  - (d) Bereavement Leave may be used to attend the funeral, make funeral arrangements or attend to matters directly related to the funeral.
  - (e) Upon request, additional time may be granted by the City Manager or his designee. Such additional time shall be charged to the accumulated sick leave, or vacation leave.

2. Military Leave. Military leave shall be in accordance with applicable federal, state, and local laws.

3. Jury Leave. The City shall grant full pay to an Employee who is summoned for jury duty or subpoenaed as a witness by any court or other adjudicatory body in cases that arise from a bargaining unit Employees employment with the City. All compensation for such duty must be reimbursed to the City, unless such duty is performed totally outside normal working hours. The City will not pay Employees for court appearances in connection with the Employee's personal matters. This includes, but is not limited to proceedings related to personal traffic citations, divorce proceedings, custody, and juvenile proceedings. If absence from work is necessary for personal matters, the Employee may use vacation time or take an unpaid leave, however, the Employee must request prior approval for this leave to be granted.

4. Other Unpaid Leave. In addition to leave specifically addressed in this Agreement, the City Manager, at his sole discretion, may authorize other leaves of absence without pay. The City Manager's decision to grant or not grant a leave of absence not addressed in this Agreement is not grievable.

**ARTICLE 27**  
**INJURY LEAVE**

1. Each full-time bargaining unit Employee shall be entitled to occupational injury leave (OIL) to a maximum of one hundred twenty (120) calendar days for each qualifying injury. OIL may be granted to an Employee (a) who suffers an on-the-job injury from an identifiable incident that occurred in the course of performance of his/her official duties within the scope of his/her employment with the Employer; and (b) where such injury directly results from a hazard.

2. In the event of a service-connected injury incurred in the active discharge of duty particular to firefighting and not characteristic of other occupations, which injury is not the result of negligence, recklessness, self-infliction, or “horseplay” by the Employee, the Employer shall grant the Employee full pay (OIL) for a period not to exceed one hundred twenty (120) calendar days. This time shall not be charged to the Employee’s sick time.

3. An Employee applying for OIL hereunder shall authorize the release to the Employer of all medical information pertinent only to the occupational injury possessed by the Employee’s treating physician(s) and the treatment facility(ies), if so requested by the Employer or its designee, and/or shall agree to be examined by a licensed medical practitioner selected and paid for by the Employer. At that time, the physician shall also document an estimated return to work date for the injured Employee.

4. Any Employee claiming an occupational injury under this Article shall file an injury claim with the Ohio Bureau of Workers’ Compensation (OBWC) as soon as possible. The Employee shall remit to the Employer all income benefits paid by OBWC for the period during which the Employee received full pay from the Employer while on OIL. In the event the claim is denied by OBWC, the Employee shall revert to sick leave status and shall be charged with sick leave and/or vacation leave for all time paid by the Employer for OIL.

5. The Employee must report to the Fire Chief, or his designee, once a week, or otherwise approved timeframe by the Fire Chief, which timeframe will be put in writing, during OIL. During the period of OIL, there shall be no employment outside of the Employee's home. 6. It is understood and agreed that the Employer's obligation under this Article is only the Employee's regular rate of pay. If the Employee elects not to accept OIL, the City will not be obligated to compensate the Employee over the amount paid by OBWC. The Employee will also be responsible for paying any portion of Health Care Benefit normally responsible for under this contract and will be invoiced that amount by the City monthly.

7. In lieu of granting OIL, the Employer may assign the Employee to transitional work/light duty with the approval of, and within the limitations set by, the Employee's treating physician or physician selected and paid for by the Employer. It is strictly the management right of the Employer to determine if transitional work/light duty is available notwithstanding Article 11, 1(e).

8. No entitlement to OIL shall arise from a personal injury sustained while an Employee is engaged in outside employment of any nature, whether or not such employment is in a firefighting related field.

9. Before an Employee on injury leave will be permitted to return to duty, he/she shall submit to the Fire Chief a physician's statement and any other required documentation concerning the injury, demonstrating his/her physical ability to satisfactorily perform the duties of his/her position. Additionally, the Fire Chief may require the Employee to submit to an

10. The Union and Employees agree with the Employer's Transitional Work Policy, if any, which shall not be limited in any way by this Agreement.

11. The Employee will be required to attend all scheduled meetings, unless his/her absence from the meeting has been approved by the Fire Chief, or his designee which will be put in writing. The Employee on OIL will not receive overtime, for attending scheduled meetings, consultations, etc.

12. During periods of OIL, whether paid or unpaid, the affected Employee shall continue to accrue sick leave and vacation. The Employer shall continue to provide all insurance benefits, on the same basis as provided other Employees on paid or unpaid FMLA leave.

- (b) A difference between any Employee (or his beneficiary) and the insurance carrier(s) or the processor of claims shall not be subject to the grievance procedure provided for in any collective bargaining agreement between the City and the Union. The City will, however, designate representatives who will be available for consultation with claimant Employees (or with a designated Benefit Claim Representative of the Union), so that a full explanation may be given with respect to the basis of disposition of claims.
